

337Bc

1912 Dates J-BK

---

The office of PR AETOR was  
opened to plebs.

337 BC

Philip<sup>II</sup> of Macedonia had been made overlord of all Greece by the Treaty of CORINTH in 337 BC when a confederation of Greek states, supported by Philip, swore revenge for the sack of Athens and the Acropolis by the Persians under Xerxes in 480 BC

337BC

Q 337BC

Phibian were elected to the partnership.

337Ae.

## Power of Philip

the nobles served in the army,  
with Philip as his companions,  
their sons served in the household  
or with him as pages. By his  
magnificence he broke up the local  
element and made them one  
body, and granted many municipal  
rights to the strangers. In this  
way he won over many.
